

Amendments to the Claims:

This listing of claims replaces all prior versions and listings of claims in the application:

Listing of Claims:

1. (Original) A nutraceutical composition comprising extracts of at least three or four herbs, wherein the first herb, which is optional, is *Hedysarum polybotrys* Hand.-Mazz. or *Astragalus membranaceus* Bge., the second herb is *Atractylodes macrocephala* kodiz, the third herb is *Ledebouriella seseloides* (hoffm.) Wolff, and the fourth herb is an anti-allergy herb.
2. (Original) The nutraceutical composition of claim 1, wherein the fourth herb is *Centipeda minimal* (L.) A. Br. Et Aschers.
3. (Currently Amended) The nutraceutical composition of claim 2, wherein the weight ratio of the extracts of the first, second, third, and fourth herbs is (0-1.5):(0.5-1.5):(0.5-1.5):(0.5-1.5).
4. (Currently Amended) The nutraceutical composition of claim 2, wherein the nutraceutical composition contains extracts of only four herbs, i.e., the first, second, third, and fourth herbs; or extracts of only three herbs, i.e., the second, third, and fourth herbs.
5. (Currently Amended) The nutraceutical composition of claim 4, wherein the weight ratio of the extracts of the first, second, third, and fourth herbs is (0-1.5):(0.5-1.5):(0.5-1.5):(0.5-1.5).
6. (Original) The nutraceutical composition of claim 1, wherein the fourth herb is *Magnolia biondii* Pamp.

7. (Currently Amended) The nutraceutical composition of claim 6, wherein the weight ratio of the extracts of the first, second, third, and fourth herbs is (0-1.5):(0.5-1.5):(0.5-1.5):(0.5-1.5).

8. (Original) The nutraceutical composition of claim 6, wherein the nutraceutical composition contains extracts of only four herbs, i.e., the first, second, third, and fourth herbs; or extracts of only three herbs, i.e., the second, third, and fourth herbs.

9. (Currently Amended) The nutraceutical composition of claim 8, wherein the weight ratio of the extracts of the first, second, third, and fourth herbs is (0-1.5):(0.5-1.5):(0.5-1.5):(0.5-1.5).

10. (Original) The nutraceutical composition of claim 1, wherein the nutraceutical composition contains extracts of only four herbs, i.e., the first, second, third, and fourth herbs; or extracts of only three herbs, i.e., the second, third, and fourth herbs.

11. (Currently Amended) The nutraceutical composition of claim 10, wherein the weight ratio of the extracts of the first, second, third, and fourth herbs is (0-1.5):(0.5-1.5):(0.5-1.5):(0.5-1.5).

12. (Withdrawn) A method of treating a disorder related to excessive secretion of histamine, comprising administering to a subject in need thereof extracts of at least three or four herbs, wherein the first herb, which is optional, is *Hedysarum polybotrys* Hand.-Mazz. or *Astragalus membranaceus* Bge., the second herb is *Atractylodes macrocephala* kodiz., and the third herb is *Ledebouriella seseloides* (hoffm.) Wolff, and the fourth herb is an anti-allergy herb.

13. (Withdrawn) The method of claim 12, wherein the fourth herb is *Centipeda minimal* (L.) A. Br. Et Aschers or *Magnolia biondii* Pamp.

14. (Withdrawn) The method of claim 13, wherein the disorder is allergic rhinitis, asthma, or eczema.

15. (Withdrawn) The method of claim 14, wherein the disorder is allergic rhinitis.

16. (Withdrawn) The method of claim 13, wherein the weight ratio of the extracts of the first, second, third, and fourth herbs is (0-1.5):(0.5-1.5):(0.5-1.5):(0.5-1.5).

17. (Withdrawn) The method of claim 16, wherein the disorder is allergic rhinitis, asthma, or eczema.

18. (Withdrawn) The method of claim 17, wherein the disorder is allergic rhinitis.

19. (Withdrawn) The method of claim 13, wherein the method includes administering extracts of only four herbs, i.e., the first, second, third, and fourth herbs; or extracts of only three herbs, i.e., the second, third, and fourth herbs.

20. (Withdrawn) The method of claim 19, wherein the weight ratio of the extracts of the first, second, third, and fourth herbs is (0-1.5):(0.5-1.5):(0.5-1.5):(0.5-1.5).

21. (Withdrawn) The method of claim 20, wherein the disorder is allergic rhinitis, asthma, or eczema.

22. (Withdrawn) The method of claim 21, wherein the disorder is allergic rhinitis.

23. (Withdrawn) The method of claim 12, wherein the disorder is allergic rhinitis, asthma, or eczema.

24. (Withdrawn) The method of claim 23, wherein the disorder is allergic rhinitis.

25. (Withdrawn) The method of claim 12, wherein the method includes administering extracts of only four herbs, i.e., the first, second, third, and fourth herbs; or extracts of only three herbs, i.e., the second, third, and fourth herbs.

26. (Withdrawn) The method of claim 25, wherein the weight ratio of the extracts of the first, second, third, and fourth herbs is (0-1.5):(0.5-1.5):(0.5-1.5):(0.5-1.5).

27. (Withdrawn) A method of treating a disorder related to excessive secretion of interleukin-4, comprising administering to a subject in need thereof extracts of at least three or four herbs, wherein the first herb, which is optional, is *Hedysarum polybotrys* Hand.-Mazz. or *Astragalus membranaceus* Bge., the second herb is *Atractylodes macrocephala* kodiz., and the third herb is *Ledebouriella seseloides* (hoffm.) Wolff, and the fourth herb is an anti-allergy herb.

28. (Withdrawn) The method of claim 27, wherein the fourth herb is *Centipeda minimal* (L.) A. Br. Et Aschers or *Magnolia biondii* Pamp.

29. (Withdrawn) The method of claim 28, wherein the disorder is allergic rhinitis, asthma, or eczema.

30. (Withdrawn) The method of claim 29, wherein the disorder is allergic rhinitis.

31. (Withdrawn) The method of claim 28, wherein the weight ratio of the extracts of the first, second, third, and fourth herbs is (0-1.5):(0.5-1.5):(0.5-1.5):(0.5-1.5).

32. (Withdrawn) The method of claim 31, wherein the disorder is allergic rhinitis, asthma, or eczema.

33. (Withdrawn) The method of claim 32, wherein the disorder is allergic rhinitis.

34. (Withdrawn) The method of claim 28, wherein the method includes administering extracts of only four herbs, i.e., the first, second, third, and fourth herbs; or extracts of only three herbs, i.e., the second, third, and fourth herbs.

35. (Withdrawn) The method of claim 34, wherein the weight ratio of the extracts of the first, second, third, and fourth herbs is (0-1.5):(0.5-1.5):(0.5-1.5):(0.5-1.5).

36. (Withdrawn) The method of claim 35, wherein the disorder is allergic rhinitis, asthma, or eczema.

37. (Withdrawn) The method of claim 36, wherein the disorder is allergic rhinitis.

38. (Withdrawn) The method of claim 27, wherein the disorder is allergic rhinitis, asthma, or eczema.

39. (Withdrawn) The method of claim 38, wherein the disorder is allergic rhinitis.

40. (Withdrawn) The method of claim 27, wherein the method includes administering extracts of only four herbs, i.e., the first, second, third, and fourth herbs; or extracts of only three herbs, i.e., the second, third, and fourth herbs.

41. (Withdrawn) The method of claim 40, wherein the weight ratio of the extracts of the first, second, third, and fourth herbs is (0-1.5):(0.5-1.5):(0.5-1.5):(0.5-1.5).

42. (New) The nutraceutical composition of claim 1, wherein the fourth herb is *Flos Magnoliae*.

43. (New) The method of claim 12, wherein the fourth herb is *Flos Magnoliae*.

44. (New) The method of claim 27, wherein the fourth herb is *Flos Magnoliae*.
